# Certificate of Membership

Presented to:

**Hayley247 Engineering Services Ltd**

PC20-005

by

John Howarth - PUMP CENTRE Manager

The Pump Centre is a Membership Organisation dedicated to raising awareness of the latest technical developments in pumps, pumping and the associated mechanical and electrical equipment. It provides UK Industry with problem solving expertise, engineering training courses and networking opportunities. Members are drawn from all sectors of the supply chain including pump users, manufacturers, component/service suppliers, contractors and consultants.

**Pump Centre**

**A comprehensive approach to pumps,  
pumping and associated equipment.**
